

NKOSINATHI

MTSHALI

FULL STACK DEVELOPER

PROFILE

I am writing to express my interest in the Full-Stack Developer position at your Company. As a full-stack developer with experience in Java, Ionic, Python, and Angular, I am confident that I have the skills and expertise necessary to excel in this role.

In my current position at TcF IcT, I have been responsible for developing and maintaining web applications using a variety of technologies. I have experience working with both front-end and back-end development, and I am comfortable working with databases, APIs, and other tools necessary for building complex web applications.

WORK EXPERIENCE

TcF IcT

2020 - PRESENT

Software Developer

- Building dynamic and adaptable web applications
- Performing analysis of product development
- Working with back-end programmers to create REST API
